Subject: Avonlie Solar Farm – Operational Biodiversity Management Plan

Dear Mr Hubatka,

I refer to the revised Operational Biodiversity Management Plan submitted in accordance with Condition 11, Schedule 3 of the Development Consent (the consent) for Avonlie Solar Farm (SSD-9031) on 7 August 2026. I also acknowledge your response to the Department's review comments and request for additional information.

I note the Biodiversity Management Plan has been prepared in consultation with the Regional Delivery team in the Conservation Programs, Heritage and Regulation Group (CPHR) and contains the information required by the conditions of approval.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in the consent (SSD-9031).

Accordingly, as nominee of the Planning Secretary, I approve the Biodiversity Management Plan for operations (Final V8 dated 23 July 2026), as submitted on 7 August 2026.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Katie Weekes on 4927 3223.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Iwan Davies".
