

Flyers Creek Wind Farm CCC-Annual report 2024

Community Consultative Committee Details

CCC/Project name	Flyers Creek Wind Farm	Reporting Period	Jan 2024-Dec 2024
Independent Chairperson	Ian Rogan	Proponent Contact	Joshua Fitzgerald

1. Executive Summary

The Flyers Creek Wind Farm CCC met 3 times in 2024. At each meeting, the Iberdrola representatives present, gave the committee updates on infrastructure construction and commencement of operations of the wind farm, community communication initiatives, community sponsorship details, and sought feedback on related matters.

CCC members asked questions arising from the community about wind farm operational matters and any concerns/perceived conflicts between wind farm operations and the community.

2. CCC activities over the last 12 months

 2. 1x BSC staff member (GM), chair, 3x community reps, 2x Iberdrola reps.
 3. Chair, 3x community reps, 2x Iberdrola reps

3. Key issues

The following were key issues raised by community members (and others) at the CCC meetings:

- Need for more transparency about the amount of funding provided to Blayney Shire Council by Iberdrola under the VPA/Community Benefit Fund, and the increased engagement of the community in the processes for allocating these funds.
 - Feasibility of a community accessible viewing platform for the project
 - Concerns from a number of turbine host landholders about restoration works post turbine installation
- ### 4. Focus for next 12 months
- CCC to meet as required, but probably for 3 times
 - Improved community communications and engagement in the process for allocating Community Benefit Funds and sponsorship funds.
