Dear Mr Fitzgerald,

**FLYERS CREEK WIND FARM
Finalisation of Licence Variation**

I refer to the draft licence variation provided to you on 21 January 2026, relating to Environment Protection Licence 21404 (the Licence), which regulates Flyers Creek Wind Farm at Errowanbang Road, Errowanbang, NSW, 2791 (the Premises). I refer to a draft variation of the Notice issued by the EPA to you on 25 March 2026, and to comments made by you on that draft variation on 2 April 2026. I refer also to a phone and email conversation between yourself and EPA officer Mr Sean Greenhill on 15 April 2026.

The EPA notes that you are accepting of the variation as outlined by Mr Greenhill in his email of 15 April 2026, and has finalised and issued the Variation.

The attached Notice also includes an updated copy of the Licence. This represents the most current version of the Licence and a hard copy of it must be kept on the premises. A copy of the revised Licence will also appear on the EPA's public register, which can be found at <http://www.epa.nsw.gov.au/publicregister/index.htm>.

Please note that while these changes to the Licence take effect immediately, under the Protection of the Environment Operations Act 1997, there is a 21 day appeal period from the issue date of the Notice should you wish to appeal this variation.

If you have any specific questions regarding this matter, please contact Mr Sean Greenhill on (02) 6333 3808 or via e-mail at info@epa.nsw.gov.au.

Yours sincerely
