Subject: Avonlie Solar Farm (SSD-9031)- Emergency Management Plan

Dear Mr Wang

I refer to your submission requesting approval of the Emergency Management Plan (EMP), which was submitted in accordance with Condition 26 of Schedule 3 of the development consent for the Avonlie Solar Farm (SSD-9031). I also acknowledge your response to the Department's review comments and requests for additional information.

The Department notes that the EMP has been:

- prepared in consultation with RFS and FRNSW; and
- contains the information required by the conditions of consent.

Accordingly, as nominee of the Planning Secretary, I approve the EMP (V1.4, 10 August 2022) under Condition 26 of Schedule 3.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document and this approval letter publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Julia Green on 9585 6409 or at Julia.a.green@dpie.nsw.gov.au.

Yours sincerely
